FLICKS ON THE BRICKS PRESENTED BY SMARTPARK RETURNS LIVE IN THE SQUARE NEXT WEEKEND!

A SUMMER WEEKEND DOWNTOWN | JULY 22nd – 24th

PORTLAND, OR--- (July 14, 2022) --- Portland's original FREE outdoor movie series, [Flicks on the Bricks presented by SmartPark](#), returns live next weekend to Portland's Living Room! The multi-day movie series will be live Friday, July 22nd – Sunday, July 24th and will transform The Square into Portland's largest free outdoor movie theater for all community members to enjoy!

All movies will be shown on a 12'x20' LED screen provided by Portland-based company Really Big Video. The use of the LED screen will expand movie offerings for children and adults into the daytime hours to bring additional movie showings for a total of **10 FREE SUMMER movies** over the course of three days in July. The Square will also be offering **FREE POPCORN** and movie snacks to the **first 250 attendees at each showing!** This year the Square has added a limited amount of **comfortable theater style on-site seating for viewers to enjoy!**

In keeping with The Flicks on the Bricks tradition, the Square continues to **welcome movie viewers to bring their own low-back chairs, blankets, pillows, cushions, or bean bags to truly make the Square their “Living Room” during each movie!** Admission to each movie is **FREE** and all seating occupancy will be available on a first come, first serve basis.

Movies showcased this year feature destinations near and far to create a multi-day *Staycation* experience in the heart of Portland.
